

SHIVA RAM BASNET
Managing Director

DIRECTOR'S MESSAGE

Nepal is famous worldwide as a country for adventure and outdoors travel. Especially for the thrilling trekking, climbing over high mountains and peaks, high hill paragliding, white water rafting, bungee jump, jungle safaris, cultural, historical heritage, sightseeing and honeymoon tours. Many travelers want to participate in these activities but cannot find a reliable company or tour agency that understands their individual needs and takes full responsibility for them.

So, we would like to introduce High Spirit Treks & Expedition (P) Ltd as a trustworthy travel and tour company for eco-friendly trekking and outdoor activities. As a specialist in those adventure activities, we operate all kinds of travel packages in Nepal, Tibet, and Bhutan. We offer over 150 packaged tours for these countries or even customize your own trip which we can arrange for your enjoyment. Our goal is to make your dream and expectations come true in the Himalayas. So, leave your worries at Home and Join us to make it the journey of a lifetime. Hurry!!!!!!

OUR COMMITMENT

- Quality Services
- Professional teams
- Reasonable Price
- Safety & Security
- Eco- Friendly and Sustainable Tourism

High Spirit
Treks & Expedition
Nepal (P) Ltd.

CORE VALUES

1

INTEGRITY

We employee the highest ethical standards, demonstrating honesty and fairness in every action that we take.

2

ACCOUNTABILITY

We accept our individual/ team responsibilities and we meet our commitment. We take care of responsibility for all our performance in all our decision and actions. We celebrate success and see failures as opportunities for growth.

3

TEAMWORK

We as part of the global team are committed to working together throughout the world by bringing together the best thinking from our professional teams.

4

INNOVATION

We thrive on creativity and innovation. We anticipate the market (customer's demands) trends and quickly embrace them.

5

EXCELLENCE

We deliver what we promise and add value that goes beyond what is expected.

6

QUALITY

Quality is integral to our practices. Processes, documentation and audit system are in place to ensure quality standards are maintained and practiced.
